❄️ **Happy New Year!** ❄️

Greetings, I hope everyone had a wonderful holiday season. We sure did in Memory Care. We had a great turnout at our Christmas Party. Our residents and family members were entertained by Earthtones and no one left hungry! It was fun to see so many families enjoy this special time. 2009 promises to be a great year in our community. Please watch the calendar for special events and celebrations. We wish you happiness and health in 2009!

Life Enrichment

Each and every day we are blessed to work with those who remind us of the essence of spirit. By focusing on what is left we have found moments of laughter, tenderness and joy. We are adding a dimension of person touch which focuses on hand massage, soothing music and creative visualization with the goal of everyday creating moments of joy, enchantment and love. And please remember we are still open to any items you might want to include in your loved ones memory box. Thank you!
